The Chrysler "Newport" which will lead the field in the opening lap of the Indianapolis speed classic on Memorial Day. Left to right—Charles L. Jacobson, vice president in Charge of Sales, Chrysler Sales Division, David A. Wallace, president, Chrysler Sales Division and A. B. The selection of this "car of the future" as pacemaker is particularly appropriate because its design was evolved largely from years of study of racing car performance.

Rezoning of Five Points
District Lots Approved

The Redwood City City Planning Commission, meeting in an adjourned session Monday, approved inclusion of Lots 11 and 12, Block J, of the Boyd and Kent subdivision in Five Points in the business zone.

Mr. and Mrs. H. A. Davies, owners of the property, at Linden St. and Woodside Rd., requested the rezoning to permit erection of a cabinet shop. The property adjoins the business district on one side, and property across the street is zoned for business. The commissioners withheld action on the request at their last regular meeting, to allow them to visit the property before making a decision.

No Response
Given Appeal
For Camp Funds

Are there to be no Summer vacation outings this year for worthy youngsters whose parents can not afford to send them to camp? That would appear to be the case, for not a single response has been received to the Lions Club-Tribune appeal made last week for funds to create campships to send needy boys and girls to Scout or YMCA camps this Summer.

Last year 22 children received a week's outing and training in citizenship through means of the Lions-Tribune Campship Fund, and an appeal is made again this year for money. The sum of \$8 will send a boy to either YMCA or Boy Scout camp for a week; \$16 will send a girl to Girl Scout camp for two weeks.

Funds may be contributed in any amount, however. If full campships (\$8 for boys, \$16 for girls) are given, the donor may specify which camp he wishes the youngster sent to, and may even designate the child to receive the outing, if he desires. Contributors' names will be published or not, just as wished. Contributions may be made to the Tribune office, 30 California St., or to any member of the Lions Club.

Territo Plans Branch in San Carlos

In the Food Market building (left above) being constructed on the southwest corner of Laurel St. and San Carlos Ave., San Carlos, Joseph Territo, operator of Territo's Market in Redwood City, soon will open a branch which itself will be a super market complete with all departments. George Lagomarsino is the owner of the building, and James B. Allen is the builder. The sketch shows Territo's food store, a parking lot and one store facing Laurel St. at left, while to the right may be seen five stores fronting San Carlos Ave. There will be 13,780 square feet of floor space in the two buildings and 7500 square feet in the parking lot besides a 15-foot alley entrance from San Carlos Ave.

Korbel Wins Final
Decree of Divorce

Finis to a divorce suit which brought spicy charges, counter-charges and denials in superior court here a year ago was written in the same court Monday.

Antone B. Korbel, San Francisco wine merchant and Belmont resident, was granted a final divorce decree from Corine Korbel by Superior Judge Maxwell McNutt. When he filed suit more than a year ago, Korbel, former University of Washington and Olympic Club football star and later a prominent gridiron official, charged his wife with associating with a forest ranger.

No Milk Price Boost
Contemplated Here

Although the price of milk went up a half a cent a quart May 1 in Santa Clara County and in many other parts of the state, no increase is planned in San Mateo County, at least not now, Secty. Herbert Fletcher of the San Mateo County Milk Dealers Association said.

He explained that this county, not being under state control, does not have to conform to prices in effect in the counties which are under control, where a price adjustment is made each month as feed prices change in costs.

FRONTIER TRIANGLE

Robert Young (left), Virginia Gilmore and Randolph Scott provide the love triangle in Zane Grey's "Western Union," thrilling Technicolor film from 20th Century-Fox which opens its engagement Sunday at the Redwood Theater. No wonder, too. The home was modern throughout, well furnished and in good taste—all except the bathroom. The taps ran slow, the tub was really uncomfortable, there was no shower and the toilet—well it was the kind of place to make any host cringe when a guest asked, "Where is it?" We could solve this easily now.

Judge McNutt To Aid Plans For Rodeo

Superior Judge Maxwell McNutt of San Mateo County, one of the best-known men in the West in rodeo circles because of

his 11 years' service as president of the Rodeo Association of America until he resigned last June, will work with E. F. B. Ridgeway in staging the 3-day rodeo and horse show at the Peninsula Fourth of July Celebration to be held in Redwood City July 4, 5, 6, it was announced Tuesday by General Chairman Ole S. Oleson.

Not only will Judge McNutt be

co-chairman of the horse events with Ridgeway, Redwood City resident and auditing firm head, but he will be arena director of the show, handling the program from the field when it is staged each of the afternoons during the third annual celebration in the county seat.

Ridgeway, himself a veteran of rodeos by virtue of having participated in the Pendleton, Ore., Roundups, expressed pleasure in securing Judge McNutt's aid and said that the two would work

together in putting on the show, expected to be second only to the annual rodeo staged at Salinas. The pair are to meet tomorrow evening at Ridgeway's ranch on Woodside Rd. with a group of horse men who will assist in staging the event.

To select a queen for the rodeo, competition will be held at Ridgeway's place Sunday, beginning at 9 a.m. Any girl who owns a horse is eligible to participate. She must come at that time, dressed in western riding

- ★ Delicatessen storage where money saving left-overs are kept at safe cold 'til needed.
- ★ Fruit and vegetables fresher—spacious compartments that hold a large supply.

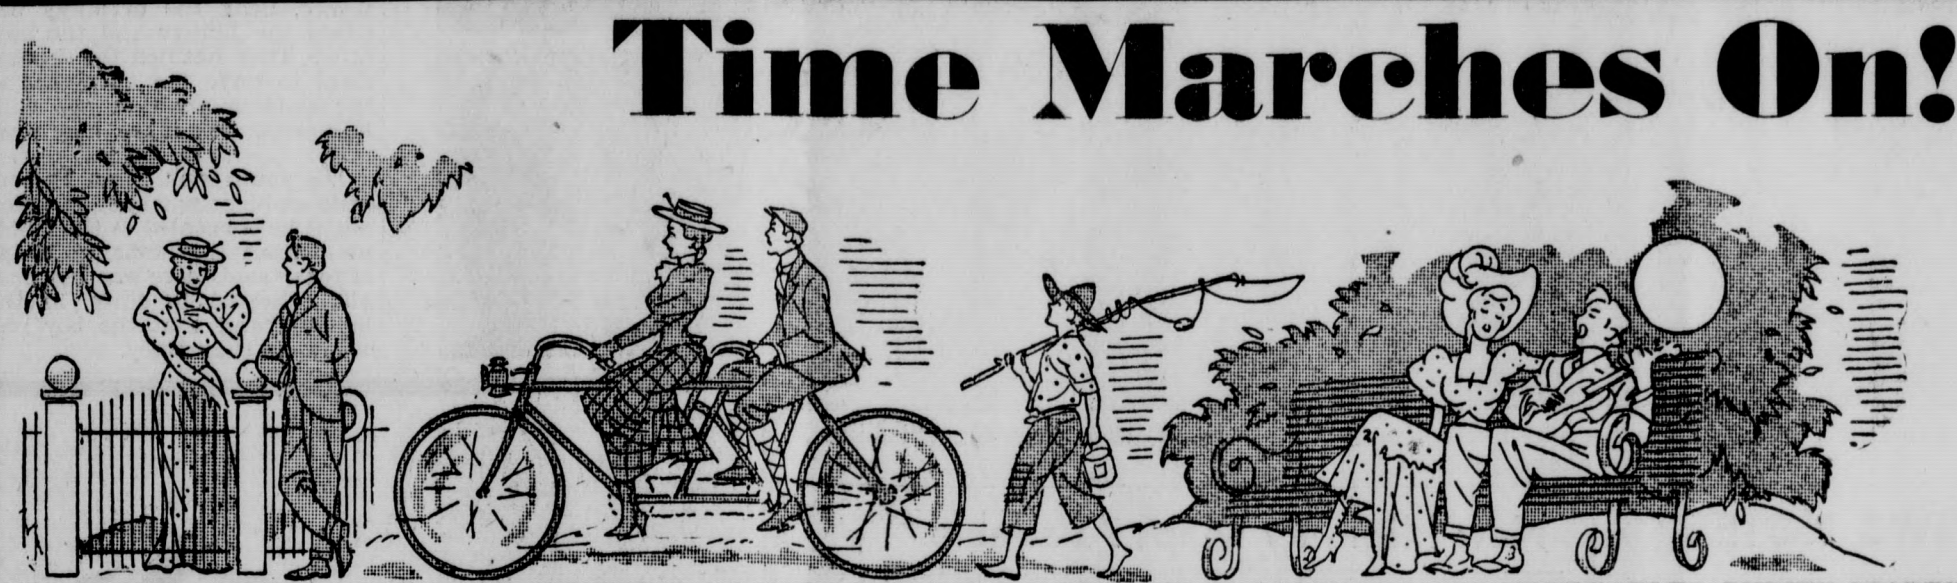

It takes five different zones of cold to keep food at its favorable best and freshness. Old style refrigerators or old fashioned methods of refrigeration cannot do this.

Today's electric refrigerators for the home now give you compartment storage. There is the right place for everything where foods are automatically refrigerated at proper temperature.

This orderly storage of food means more food can be stored in these 1941 Electric Refrigerators. At today's low prices you get better electric refrigerators—more for your money.

When you buy your new electric refrigerator this year make sure you get one that's big enough and get a refrigerator completely equipped.

Library Thief Seized By R. C. Policemen

A broken glass panel in a rear door at the city library led to the capture of a 16-year-old Palo Alto youth by Redwood City police Monday as the boy was allegedly in the act of burglarizing the library.

Patrolmen Cole Stafford and James F. Donovan, making their rounds at 9:45 p.m., 15 minutes after the library had been closed for the night, noticed the broken pane in the back door entrance, near the driveway between the library and the post office. They notified the department to have the entrances to the building guarded, and with this precaution taken they went in.

The youth was taken by surprise as he sought money which might be concealed in the building. Librarian Wilhelmina Harper today said there was less than \$10, collected in fines, in the building and that the boy had not found the money.

Mrs. Ida Wilson Dies At Daughter's Home

ATHERTON—Mrs. Ida Seigne Wilson, 80, died Monday afternoon at the home of her daughter, Mrs. Constance Dutton, Santa Clara St., Atherton, after a period of failing health.

Mrs. Wilson, wife of the late Charles E. Wilson, was born in

Pepin, Wis., but had lived in California 37 years and in Atherton two years.

Surviving, besides Mrs. Dutton, are two other daughters, Mrs. Adelaide Bricker of Puente and Mrs. Helen Barron of Los Angeles.

Sign Ordinance Approved at Atherton

ATHERTON—Final passage of an ordinance regulating the installation of signs on Atherton city property and the introduction of another ordinance creating an additional commercial district marked the meeting of the city council this week.

The new sign ordinance requires a permit costing \$1 a year for each sign installed. Only one sign may be installed on each lot, and the size is limited to 18x26 inches. The regulation applies largely to real estate firms advertising lots for sale or lease.

Located on Marsh Rd. at Bay Rd., the proposed addition to the business district will include only a small strip of property for expansion as commercial enterprise. A vote on the measure is expected at the next meeting.

Weed abatement on property under city supervision was discussed but no action was taken. Street improvements in Greenoaks, a new subdivision, were accepted as completed.

Mrs. Carl Shine Takes Over Former Business

WOODSIDE—Today Mrs. Carl Shine took over the business on the Woodside Rd. which she formerly operated as Gayle's Service Station. The business has been conducted for the past year by Mrs. William Brooks.

Mr. and Mrs. Brooks and their small daughter are moving into the home which they recently purchased on Woodside Rd. beyond the King's Mt. Rd. junction. Mr. and Mrs. Thomas Shine will move into the Carl Shine home on Romero Rd. as the Carl Shines will live at their place of business.

In a 10-year period Texas has constructed 750 wayside parks along its state highways.

Menlo Park Matron Exhibits Art Work

MENLO PARK—Mrs. George F. Cleese of Menlo Park is one of several students of the San Mateo Junior College art department who are exhibiting at a show now on view at the De Young Museum in Golden Gate Park, San Francisco. The display will continue on view from 10 a.m. to 5 p.m. daily until May 16. There is no admission charge.

On May 9, there will be an open-house at the museum, where students from the participating colleges will give an "art in action" demonstration.

Mrs. Cleese has studied also at the California School of Fine Arts in San Francisco.

Jelich Now Full-Time Fire District Employee

WOODSIDE—Beginning today, George Jelich of the Portola station of the Woodside Fire District, will become a full-time, permanent employee of the district. Jelich has been acting part-time man at the Portola station and also has served on the Summer fire patrol duty. He will continue his work on the fire patrol and will act as a relief man under Alvin Hallett, acting captain at the station. Jelich will also perform duties in the district which were formerly given out as extra jobs.

STILL POSSESSION CHARGED

Luigi Guelgio, 45, a rancher living on Sneath Ln., San Bruno, was released from the county jail yesterday on \$250 bail after his arrest by State Board of Equalization officers on charges of illegal possession of a still. The equipment was found dismantled and apparently unused in an upstairs room of Guelgio's home, according to arresting officers.

WINS \$10,500 DAMAGES

John Grissom of San Francisco, injured last Dec. 7 in a three-car collision at San Mateo, won an out-of-court settlement of approximately \$10,500 yesterday in his suit against William H. Foote of East Palo Alto and William King of San Carlos. The settlement was made after a three day jury trial before Superior Judge Maxwell McNutt.

WHIST PARTY SLATED

WOODSIDE—This evening the Woodside Gardener's Club will hold a whist party. Proceeds from the affair are to be used for the amateur show which the organization will hold later this month. Anyone at all talented in entertaining is urged to participate. The local gardeners will make entire arrangements for the winner to participate in a radio amateur program in San Francisco.
